Details Irve might sound like a nice
name or a potential nickname but in
all truthfulness, it's short for Irregular
verbs. This interesting application
aims to provide a way for individuals
to test their knowledge regarding
irregular verbs in the English
language. Irregular verbs are basically
verbs in any language that have
various forms that do not follow the
general rule of grammar construction.
In other words, these are verbs with

forms that you'll have to learn by heart. As far as the app is concerned, it's a simplistic tool with a functional interface. You should select the specific verbs you want to test your knowledge on, and proceed to the actual exercise. The nice thing about this particular program is that it will show certain stats for you to know if you're actually improving or if you have to go back and study some more.

What's New in the Irve?

Irregular verbs are not irregular in the way that the verbs in other tenses are irregular. They are irregular in that their forms do not follow a strict pattern. In the past tense for example,

'to run' takes the irregular form 'ran'. The verb 'to have' has no irregular tenses, although one can say that it can have a variety of forms. Irregular verbs are also not a set of just a few irregular verbs; they can even be used in regular verbs. The irregular forms of a verb are not always difficult, but instead, the irregular verbs are those that one can get more of a headache and are harder to learn. One could say that they are the hardest of all verbs. Irregular verbs are verbs that seem to have no irregular forms. Yet, they have irregular forms. And irregular

forms is a good thing. Irregular verbs are not irregular in the way that the verbs in other tenses are irregular. They are irregular in that their forms do not follow a strict pattern. In the past tense for example, 'to run' takes the irregular form 'ran'. The verb 'to have' has no irregular tenses, although one can say that it can have a variety of forms. Irregular verbs are also not a set of just a few irregular verbs; they can even be used in regular verbs. The irregular forms of a verb are not always difficult, but instead, the irregular verbs are those that one can
